

Paper Submission

Details

5th Urban Street Symposium

May 22-24, 2017

Raleigh, North Carolina

- Authors should submit a paper on their topic of presentation
- Length is limited to 7,500 words
- Submit papers by May 1

All authors are highly encouraged to submit a paper for the Proceedings. The paper submission requirements are as follows:

- The length of each paper may not exceed 7,500 words; that is, a paper that is only text should contain no more than 7,500 words. Each table, figure, or photograph accompanying the text counts as 250 words. For example, if two figures and three tables are submitted, the text may be no more than 6,250 words.
- Final papers should conform to the specifications detailed in TRB's Information for Authors at <http://onlinepubs.trb.org/onlinepubs/AM/InfoForAuthors.pdf>.
- The submission of your paper will be through the website used for USS5 registration. *More details will be provided at a later date.*

Papers will be available to attendees via the Urban Street website. Since the review process for the Proceedings has been limited, authors who wish a full peer review of their papers may also submit them to TRB for publication only in the *Transportation Research Record: Journal of the Transportation Research Board* as detailed at <http://onlinepubs.trb.org/onlinepubs/AM/InfoForAuthors.pdf>.
