

Poster Display Details

5th Urban Street Symposium

May 22-24, 2017

Raleigh, North Carolina

- Prepare and bring with you a 30 inch X 40 inch poster
- Submit a PDF of your poster to the USS5 website

The Symposium will provide each presenter with a **30-inch** (76.2 cm) tall by **40-inch** (101.6 cm) wide blank foam core board and an easel. *The board can be rotated to accommodate a 40-inch (101.6 cm) tall by 30-inch (76.2 cm) wide presentation.* Push pins will also be provided. **No electrical power or table will be provided.**

Presenters should plan to arrive 15 minutes before the poster session to set up. Your poster assignment will be based on the order in the printed program and a tent card will be placed accordingly. Authors are responsible for promptly removing all materials at the end of the session, after which they will be removed and recycled.

The posters will be located in public space so poster presenters are responsible for the security of their own materials. Commercial advertising of products or services is not allowed. There are no provisions for making posters at the conference or for receiving, storing, or returning posters to authors.

A template for the 30- by 40-inch poster is available on the Urban Street Symposium website (<http://www.urbanstreet.info/>). The template contains suggested font sizes and layouts. TRB has some helpful poster design suggestions on their website at <http://onlinepubs.trb.org/onlinepubs/am/2017/PosterSession.pdf>.
